The image shows a mobile application interface for sending a friend request. The screen is framed by a black border representing a smartphone. At the top, a blue header bar contains a white 'X' icon on the left and the text 'Send friend request' in white. Below the header, the main content area is white. It features a label 'Enter email' in bold black text. Underneath is a text input field with the placeholder text 'email' in a light gray font. At the bottom of the main content area is a large blue button with the text 'Send request' in white. The bottom of the screen is occupied by a light gray navigation bar. It contains four icons: a house icon for 'Dashboard', a party horn icon for 'Parties', a smiley face icon for 'Friends', and a person icon for 'Profile'. Each icon is accompanied by its respective label in a small, dark gray font.
